SENATE DISTRICT 17

TSET Overview

In 2000, Oklahoma voters overwhelmingly chose to create TSET, the Tobacco Settlement Endowment Trust. Oklahoma's forward-looking choice enables strategic programmatic investments in healthy communities, statewide organizations, and life-saving research. TSET extends the opportunity for all Oklahomans to have better lives through better health – for generations to come.

STATEWIDE GRANTS - FY17 BUDGETED TOTAL \$16,246,000

Statewide Grants

TSET provides grants to communities and health systems to prevent and reduce tobacco use and obesity. Grantees submit annual budgets and work plans. In some cases, grantees are able to leverage federal dollars through the Oklahoma Health Care Authority to expand reach and impact. TSET funds about 40 to 50 percent of the total program cost for health systems grants.
