SENATE DISTRICT 6

TSET Overview

In 2000, Oklahoma voters overwhelmingly chose to create TSET, the Tobacco Settlement Endowment Trust. Oklahoma's forward-looking choice enables strategic programmatic investments in healthy communities, statewide organizations, and life-saving research. TSET extends the opportunity for all Oklahomans to have better lives through better health – for generations to come.

Research

TSET has research grants to the Oklahoma Center for Adult Stem Cell Research, Oklahoma Tobacco Research Center and the Stephenson Cancer Center, which treats patients statewide. TSET's research grants advance new discoveries, add to the knowledge base and provide hope.

FY17 Budgeted Total \$12,300,000

Oklahoma Tobacco Helpline Participants

The Oklahoma Tobacco Helpline provides free telephone and web-based tobacco cessation "coaching" sessions and free nicotine patches, gum and lozenges. Since 2003, the Helpline has served more than 360,000 Oklahomans, saving an estimated \$18 million each year in direct medical costs from tobacco users who have quit with the Oklahoma Tobacco Helpline.
